Subject **Notification of Document Adoptions and APIM Approvals
at the 2009 AEEC General Session
March 29 – April 1, 2009 in Minneapolis, Minnesota**

Summary AEEC adopted 3 Project Papers (listed in Attachment 1) at the 2009 AEEC General Session in Minneapolis, Minnesota. These new ARINC Standards will be published pending no adverse comments within 30 days.

AEEC adopted 5 revisions to existing ARINC Standards (listed in Attachment 2) at the 2009 AEEC General Session. While there were no last-minute "Pink Page" revisions submitted, some editorial corrections were noted and will be included in the appropriate Supplements. These new Supplements to ARINC Standards will be published pending no adverse comments within 30 days.

AEEC approved 2 ARINC Project Initiation/Modifications (APIM) (listed in Attachment 3) at the 2009 AEEC General Session. The proposed work falls within existing subcommittee charters. These new tasks will be launched according to their projected schedules without forming any new subcommittees.

Inputs Invited This notification initiates a 30-day period for the submission of any objections to the publication of the adopted documents or activity to begin work on the approved APIMs.

Action Please notify Mike Russo in writing by **May 29, 2009**, if you know of any reason the adopted documents should not be published or work should not begin on any of the approved APIMs.

cc AEEC, CSS, DFDR, DLK Sys, EFB, GLSSU, and AeroLine
