SEP 2008)

Ku Band TWG,

Chairman peter Lemme invites you to participate in the Ku Band TWG Meeting scheduled for September 23-25, 2008 in Ottobrunn, Germany. As many of you know, this is a dynamic group with good momentum toward developing recommendations for Project Paper 791, Ku Band Satellite System. They have pretty much settled on the system architecture and begun to draft text for the document.

He also invites you to participate in teleconference leading up to the TWG with the first one to occur next Tuesday.

Please see Peter's email invitation below for details.

Kindly regards,

Earl Nicks
Senior Principal Engineer
Industry Activities Staff
