<http://www.aviation-ia.com/events/>

The dress code for this meeting is business casual.

Comments or questions regarding any of the agenda items are invited. If you wish any material to be circulated prior to the meeting, please submit your proposals via e-mail to Tom Munns by **May 15, 2012**. After that date, they may only be introduced on the agenda with the approval of the chairman and formal consensus of the group.

The meeting is open to all interested parties. Individuals requesting time on the agenda should contact Tom Munns. The agenda will be finalized one week prior to the meeting.

**Activity
Scope**

The scope of the activity is to develop connector and cable standardization for cabin applications.

**Meeting
Objectives**

The Connector Working Group (CWG) will meet concurrently with the CSS to develop recommendations for connectors and cables for cabin standards.

These groups will meet according to the following schedule:

Group	Date	Date	Date	Date	Room
Cabin Systems	5/22*	5/23	5/24	5/25	TBA
Connector WG	5/22*	5/23	5/24		TBA

* Meeting together

The meeting announcements for the CSS will also be posted separately for web access.

Tuesday – Thursday – Connector Working Group (CWG)

The CWG will discuss Draft 7 of ARINC Project Paper 800, the Cabin Connectors and Cables definition and connector definition for other applications as needed.

(Tuesday morning - The CWG will meet with the CSS to discuss connector and seat integration issues needing further guidance.)

**Travel
Information**

The NH Vienna Airport is readily accessible (walking distance) from the Vienna International Airport.

The Austrian Training Center is accessible using the airport shuttle. The meeting location is located at Shuttle Station 10. See attached maps.

Downtown Vienna can be reached via train connection (Wien Mitte):

- Line S7: duration 25 minutes, runs every 30 minutes, ticket 3.60 € one way
- City Airport Train (CAT): duration 16 minutes nonstop, runs every 30 minutes, ticket 9€ one way, 16€ with return ticket
