Instructions Please notify ARINC Industry Activities of your intention to attend by registering online at:

<http://www.aviation-ia.com/events/>

To obtain a visitor's badge, please provide the Boeing point of contact, Scott Coburn, your name, organization and citizenship before February 21, 2012. Bring your government issued identification to the meeting. Foreign nationals must also provide their passport number.

The dress code for this meeting is business casual.

Comments or questions regarding any of the agenda items are invited. If you wish any material to be circulated prior to the meeting, please submit your proposals via e-mail to Tom Munns by **February 21, 2012**. After that date, they may only be introduced on the agenda with the approval of the chairman and formal consensus of the group.

The meeting is open to all interested parties. Individuals requesting time on the agenda should contact Tom Munns. The agenda will be finalized one week prior to the meeting.

Activity Scope The goal of this activity is to standardize the physical dimensions, systems interfaces, communication protocol, installation, qualification testing, integration, and maintenance requirements for Galley Inserts. The expected benefit is full interchangeability of Galley Inserts with complete functionality within standard galley compartment.

Meeting Objectives The GAIN Subcommittee will continue to develop galley equipment standards for commercial aircraft. The subcommittee will review or discuss the following:

- Review Draft 4 of Supplement 2 to ARINC Specification 812: Definition of Standard Data Interfaces for Galley Insert (GAIN) Equipment, CAN Communications.
- Review Draft 1 of ARINC Project Paper 813: Definition of Standard Interfaces for Galley Insert (GAIN) Equipment, Qualification and System Test Guidance.
 - Inputs will be partly based on analysis of the Network Supplier Document (Part 1).
- General interchangeability requirements/specifications, e.g., rail/equipment deflection, loads, weight, power consumption, installation of screens/grills.

Travel Information The SpringHill Suites South Renton is about 7 miles from the Seatac International Airport. There is a complimentary 24-hour hotel shuttle available upon request. A courtesy phone is available.

Driving Direction from Seatac International Airport to the Hotel:
Distance from hotel: 7 miles

Drive time: 12 min

Directions: Follow signs for freeways and take 518 East to Interstate 405 North to exit 1 for Tukwila/West Valley Highway. Turn left at the traffic light onto West valley Highway and proceed to SW Grady Way. Turn right and continue to Lind Avenue SW. Turn right and travel to SW 19th Street. Turn left and the hotel will be on the left.

Driving Direction from Hotel to Meeting Location:

Distance from hotel: 0.9 mi

Drive time: <5 min

Directions: Head west on SW 19th Street toward Lind Avenue SW. Turn right onto Raymond Avenue SW. Take first left onto SW 16th Street.
