2022 AMC Symposiums

Tuesday, May 10, 2022 – 10:30am

Cyber Security Requirements for Legacy Aircraft.

Speakers:	Todd Trncak	American Airlines
	TBD	Airbus
	TBD	Boeing
	Jason Schoenbeck	Collins Aerospace
Moderator:	Kevin Kramer	American Airlines

The AMC Symposiums are intended to be interactive. Following the conclusion of the presentations, questions and discussions are strongly encouraged, as time permits.

The AMC Steering Committee plans, organizes, and directs AMC activities including the annual AMC conference, publication of PLANE TALK®, establishing and monitoring standard setting activities, and acting on behalf of AMC in matters related to AMC activities or to industry interests in avionics maintenance. The AMC Steering Committee will authorize the AMC technical work program and rule on the adoption of proposed ARINC Standards and supplements to existing ARINC Standards.

The AMC Steering Committee shall be comprised of 11 voting representatives of the AMOs elected to the AMC Steering Committee and a non-voting secretariat provided by ARINC IA. AMOs represented on the AMC Steering Committee shall be elected by the AMOs.

To ensure global representation, the AMOs elected to the AMC Steering Committee should include at least one AMO from each of the following regions: North America; Caribbean, Central, and South America; Europe; Africa and Middle East; and Asia Pacific. AMOs will be attached to a specific geographical region according to the ICAO definitions.

For more information, contact Sam Buckwalter, AMC Executive Secretary.
